TWILIGHT

COMFORT THAT'S PATENTED™

**Motor #1**

Controls the movement of both the backrest and footrest.

Motor #2

Activates Twilight technology, a tilting movement that provides a weightless experience.

**Smart Tek**

In the event of a malfunction, our patented SmartTek™ diagnostic system enables you to get your lift chair up and running quickly.

**Battery Backup System**

Batteries not included. Battery Backup System is designed to bring the chair from the reclined to the seated position in the event of a power outage.
